Focus pods is a refined privacy pod that are agile, insightful and adaptive. It presents a good understanding of the ways we are working today from general work point to hybrid work model, from ABW style to meeting and collaboration, Focus pods provide maximum freedom and adaptability to work your way.

FOCUS BETTER

Based on standard Focus, Focus Better is fabricated with extra double sided 5mm EVA rubber before fabric upholstery, it gives more acoustic performance and pinnable.

Sur Better is subject to the extra Sur-charge based on standard focus price range.

* 25mm frameless wooden panel;

* Underneath tabletop metal stiffener;

* Fabric upholstery available in iWork Commercial Colour Lab range fabric options;

* Adjustable feet;

* Aluminum alloy frame;
* The lampshade uses imported prism combination;
* Imported SMD light source, the whole lamp
  power is 40W, light efficiency is 85LM/W;
* UGR: <16;
* LED light source, color tolerance SDCM<3;
* Color temperature standard: 4000K;
* Can built-in power strip and USB charging
  module on the light pole;

SIZE	CBM
W1784*D185*H400/27	0.13

Hepburn free-standing luminaires

* Japan imported Acrylic material,high heat
  dissipation aviation aluminum body structure;
* 3D light, color gradient effect;
* The main lighting uses CREE XPE lamp beads, Ra>90;
* UGR: <10;
* Supports 1-100% range dimming;
* Atmospheric lighting control uses gestures to
  control scene switching And switch lights;

SIZE   CBM
Φ420*H1790/1430/1070/740   0.36

Hepburn suspended luminaires
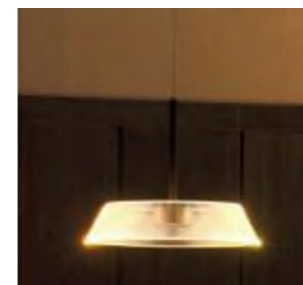

* Japan imported Acrylic material,high heat
  dissipation aviation aluminum body structure;
* 3D light, color gradient effect;
* The main lighting uses CREE XPE lamp beads, Ra>90;
* UGR: <10;
* Atmospheric lighting control uses gestures to
  control scene switching And switch lights;

SIZE   CBM
Φ420   0.36

Φ420**H1020   0.46

Hepburn desk-mounted luminaires

* High light guide level acrylic lampshade
  high heat dissipation aviation aluminum body
  tempered glass panel;
* 3D light, color gradient effect;
* Color temperature 2700-5000K;
* Smart gesture switch;
* USB charging port;

SIZE   CBM
Φ180*H340   0.10
